Phone: 612-668-2016
Email: sandra.ness@mpls.k12.mn.us

Description: Our literacy specialist conducts new to building screening and screening of current PHHS student's. A combination of student data and educational history, interview information, reading inventory, and screener information are used to help determine student needs. Support is also provided to literacy classes through data analysis, guiding literacy instruction, and problem-solving.

Referral Information: Classroom teachers can schedule time with the literacy specialist on an as needed basis. Families can also request screening which can typically occur within 1-2 days of the request.

Media Specialist

Staff: Kari Lohse
Room: 200

Phone: 612-668-1942
Email: Kari.Lohse@mpls.k12.mn.us

Description: Our media specialist helps provide educational materials to students with a library of over 14,000 titles in its collection. Students can receive help in understanding how to find and comprehend information in many formats (e.g. books, magazines, computer software, CD-Rom databases, and online information). This central literacy support helps to identify ways to get quality materials and resources in the hands of students, matched based on their reading ability and areas of interest. Students do not need a pass before or after school, but will need a pass during lunch and class time.

Availability: Monday - Thursday 7:45 - 4:00 p.m., Friday 7:45 - 3:00 p.m.

Referral Information: Contact our media specialist for any questions.

Northside Achievement Zone Navigator

Staff: Kani Jackson
Room: 330

Email: kjackson@the-naz.org

Description: Our Northside Achievement Zone (NAZ) navigator works primarily with a caseload of students whose families are members of the NAZ (a block of north side neighborhoods). NAZ works to close achievement gaps and end generational poverty on the north side in tandem with partner organizations. They focus on working with families to support low-income children of color to ensure they graduate from high school prepared for college. Through relationship building with student's and a focus on individual student goals, our NAZ Navigator helps students to be successful in high school as well as prepare for college. When necessary, they connect to available building resources that may support their scholars.

Availability: Monday - Friday 8:00 - 4:00

Referral Information: While they currently have a caseload of about 30 NAZ scholars, other coaches may make recommendations.

Project SUCCESS

Staff: Micah Peterson Brandt

Phone: 612-874-7710 (main line)
612-876-3922 (Micah)

Email: micahpb@projectsuccess.org

Website: <https://www.projectsuccess.org/>

Description: Project SUCCESS provides workshops primarily in student's English classes. They help to coordinate both college tours and theater experiences for students and their families. Facilitators focus on social-emotional learning and theater-based goal setting activities to inspire young people to dream about their future and create a plan. Every student receives four free tickets to a wide variety of theatrical experiences at no cost. Students and families are provided free transportation and childcare if needed. A list of free college tours are available on their website.

Referral Information: Students can email a Project SUCCESS facilitator to meet 1:1 in the media center or College and Career Center for more information about theatre tours or their services. Call 612-874-7710 for more info about applications for college tours or about theatre trips.

Staff: Shannon Schueler
Room: 154 (temporary location)

Phone: 612-668-1968

Email:
Shannon.Schueler@mpls.k12.mn.us

Description: The school nurse provides first aid, medication administration, emergency services, and nursing assessment services to all students. Health education is also provided for any medical

questions or concerns for students and families. The school nurse collaborates with teachers, social workers, counselors, school psychologists and the school-based clinic to help meet the student's needs. They will contact parents/families if the students are sent home or if there is a significant medical concern. They will also communicate with parents/families to update medical information about a student, request medication consent, clarify reports on students' annual health inventories, and offer contacts to community resources.

Referral Information: Students are required to have a pass from a teacher or staff member to meet with the nurse. Students are typically referred to the nurse by a teacher or social worker.

School Psychologists

Staff: Thomas Johnson (EBD, ASD, and Multi-Tiered Systems of Support), Chelsea Goslin (Resource & Lifeskills), Rachel Knowles (School Psych Intern)

Room: 205 (Thomas & Rachel), 164 (Chelsea)

Phone: 612-668-1963 (Thomas); 612-668-1920 (Chelsea)

Email:

Thomas2.Johnson@mpls.k12.mn.us;
Chelsea.Hart@mpls.k12.mn.us;
Rachel.Knowles@mpls.k12.mn.us

Description: School psychologists address student concerns through expertise in mental health, learning, and behavior. They look into both building level concerns (e.g. positive school climate, equity in special education) and individual student concerns. Identification of possible disabilities and helping those with an identified need to have access to appropriate learning environments is a priority. They are available to consult with families and teachers on possible supports/interventions available to promote student success.

Availability: Monday - Friday (Thomas & Chelsea), Tuesdays, Wednesdays, and Fridays (Rachel)

Referral Information: Staff or parents can email or call our school psychologists about student concerns. Students can drop in to meet with a school psychologist when available or make an appointment. If questions exist related to a student currently enrolled in special education, or to express concerns related to a suspected disability please email or call. Families and staff can also refer students with social/emotional concerns to a school psychologist so that our Student Assistance Team (SAT) can help meet that student's needs. Staff have access to the SAT referral form through MyMPS.

<p>Description: Social workers provide academic, social, emotional, and behavioral support to students through 1:1 meetings and group sessions. They assist students with various personal issues including mental health concerns, finding stable housing, addressing academic difficulties, addressing conflict, and other problems that may be impacting a student's learning. Experts in understanding resources both in the building and community, social workers frequently connect with students and families to provide resources matched to student need.</p>	
<p>Referral Information: School staff and parents can contact social workers by phone or email if they have questions or concerns about a student. Social workers may also meet with students or parents to check in and provide resources. They may connect with other school staff and community services about providing support to students and their families.</p>	

<h2 style="text-align: center;">Speech Language Pathologists</h2>	
<p>Staff: Anne Nitzke, Jackie Alkalai (Thursdays)</p> <p>Room: 18</p>	<p>Phone: 612-668-1943 (Anne), 612-668-1978 (Jackie)</p> <p>Email: Anne.Nitzke@mpls.k12.mn.us ; Jacqueline.Alkalai@mpls.k12.mn.us</p>
<p>Description:Speech language pathologists work to treat speech, language, and communication disorders with students. They also work to identify and assess students who may need additional support in these areas. Often working with our special education case managers, they work to ensure students' success in the classroom.</p>	
<p>Referral Information: Call or email for additional information.</p>	

<h2 style="text-align: center;">Teen Parenting Services Coordinator</h2>	
<p>Staff: Kirstin Johnson-Nixon</p>	<p>Email: kirstin.johnson@mpls.k12.mn.us</p>

Availability: Mondays	Phone: 612-669-0945
<p>Description: Our teen parenting services coordinator works to support expecting mothers in the building. They help share information related to supports inside and outside of the building. They may help communicate and coordinate child care. During a student's time away from school they work to help provide classwork or alternative learning options (online classes) to help students stay on track towards graduation.</p>	
<p>Referral Information: Email our teen parenting services coordinator with any questions or if you know a student who may need their support.</p>	

<h2>This Way Ahead</h2>	
<p>Staff: Eric Westerman When: TBD Where: Room O21</p>	<p>Phone: (952) 250-2773 Email: ewesterman@bgc-tc.org</p>
<p>Description: This Way Ahead is a program run by the Beacons Boys and Girls Club that provides the next generation with their first jobs, mentoring, skills, and confidence they need to make dreams a reality. Not only do they partner with businesses to help youth explore the workforce, but they also work with the students to prepare for job interviews, help them build their resume, and lead them to gain employment.</p>	
<p>Referral Information: Contact Eric Westerman at Beacons Boys and Girls Club</p>	

<h2>Transition Plus</h2>	
<p>Staff: Alexandra Renken</p>	<p>Phone: (612)-688-1718 Email: alexandra.renken@mpls.k12.mn.us Website: http://transplus.mpls.k12.mn.us/</p>
<p>Description: Transition Plus is dedicated to serving students ages 18-21 who qualify for special education service. Students who have completed four years of high school without graduating, qualify for special education, and have unmet goals in secondary transition (e.g. employment, post-secondary education/training, and independent living) are eligible. An intake team will review a student's IEP, evaluation, and graduation plan. This resource also helps connect students to appropriate post-secondary options such as MCTC.</p>	
<p>Referral Information: Talk with your student's case manager or social worker if interested in Transition Plus. Fall and spring tours of the building are available (on site). Call 612-668-4100 to arrange a tour.</p>	

TRIO Upward Bound

UNIVERSITY OF MINNESOTA, CE+HD

Staff: James Cooper - College Access Advisor

Phone: 612-625-3099 (office)

612-625-3021 (Upward Bound main line)

Email: coope619@umn.edu

Website: www.cehd.umn.edu/trio/upward-bound

Description: TRIO Upward Bound (TRIO UB) is an academic and college preparatory program funded by the US Department of Education. The purpose of TRIO UB is to develop the skills and motivation necessary for students to successfully complete high school and to enter and succeed in college. While there are hundreds of TRIO Upward Bound programs across the nation, this specific program is housed at the University of Minnesota's College of Education and Human Development (CEHD). We are currently funded to serve 118 Minneapolis 9-12th graders from Edison Sr. High School, North Senior Academy, Patrick Henry High School, and South High School. TRIO UB at the University of Minnesota has served Minneapolis high school youth and families since 1966.

Services Offered: Weekly after school classes, Free Tutoring (Monday-Thursday), Financial aid and literacy workshops, College visits and field trips, Leadership development opportunities, Educational workshops for parents/families, Scholarship opportunities, ACT preparation, and six week long academic enriched summer program.

Availability: Tutoring and after school classes offered in Appleby Hall on the University of Minnesota campus M-TH 4:00pm - 5:30pm. TRIO Upward Bound Advisor available at lunch on Thursday or by appointment, Monday - Friday 8:00am- 4:30pm.

How to join/Eligibility: 9th and 10th grade students who are either low-income and/or first-generation college students (neither parent has a college degree) are eligible to apply. Applications are accepted from October-December. Applications can be picked up from the Career and College Center, room 313. Both student and parent/guardian application must be completed.

Teachers can refer students by filling out a teacher recommendation form and placing it in TRIO Upward Bound mailbox or email James at coope619@umn.edu.

Youth Coordinating Board (YCB)

Staff: LaToya Balogun

Room: 164

Phone: 612-229-5739

Description: YCB works to build strong relationships and trust with Patrick Henry students. Personalized support for student's academic, behavioral, and social/emotional needs are provided. At times they will connect students to community resources (e.g. local clinics, shelters, student health information). Often working as mentors, they work to have intentional and authentic conversations with students about barriers to their success at PHHS during their check-ins.

Available: YCB is available during times of increased need for building support (e.g. after breaks, start of the year)

Referral Information: YCB internally identifies disengaged students and is open to staff referrals to work with individual students. YCB meets with students outside of classes (lunch, passing time) but is also available to work with students in their classes.

Youth Participatory Evaluation Team (YPE)

Staff: Erin Horvath
Room: 104

Phone: 612-668-1948
Email: Erin.Horvath@mpls.k12.mn.us

Description: YPE equips young people at every MPS middle school and high school with research and evaluation skills, and takes a democratic approach to legitimize and leverage the voices of young people in shaping their education. Students will pick a topic of their choice that they believe is impacting their educational experience, and collect data using various methods to support their argument for program, school, district, or community change.. Their recommendations will result in system-wide learning and contribute to district discussions and decisions.

In Minneapolis, this program holds the following goals for participants and the district:

- Youth voice is involved in district decision-making processes and adds valued perspectives to data analysis and sense-making
- Youth report district and school leaders value and listen to them
- Youth are partners in the process of making schools youth-friendly spaces
- Youth involved in their school's discipline system are representative of the school population
- District and school staff recognize the value of youth voice and YPE

Referral Information: Email Erin.Horvath@mpls.k12.mn.us

504 Individual Accommodation Plans

Staff: School Counselors

Phone: 612-668-1967 (Shawn); 612-668-1996 (Kim Cook); 612-668-1971 (Nick); 612-668-1933 (Jenny); 612-668-1951 (Kim Mannel)

Email: shawn.crenshaw@mpls.k12.mn.us;
Nicholas.Walker@mpls.k12.mn.us;
Jennifer.Zupan-Maiser@mpls.k12.mn.us;
kimberly.mannel@mpls.k12.mn.us;
kimberly.cook@mpls.k12.mn.us;

Description: 504 plans provide accommodations for students with physical or mental disabilities which substantially limit a major life activity. A 504 plan can help ensure these accommodations are met for a PHHS student in the classroom and are shared with teachers and staff working with the individual student. Accommodations are individualized to each student's individual needs and are specific to the identified disability (e.g. enlarged print, taped lectures, peer assistance with note taking).

Referral Information: Contact the assigned counselor about setting up a meeting to determine if 504 accommodations are appropriate for a student.
